My dear Mr. Tucker

I have taken my passage & depart by the Tagjan which leaves Southampton on May the 5th.

I have been anxiously waiting to hear from you to say that the Society has been able to add to the Block Grant to the Diocese of California. I hope I made my case very clear, and that you will at least allow an income of £200 for Mr Kip's Work and £200 for Fairfield, besides the travelling allowances to the several White & Indian Missionaries. I hope to call on you before I leave. I have a young Augustinian named Adeyen who wishes to go with me. He has been - question of finance. I could not part with him without hearing what the Bishop of the Diocese recommend. There is

for us all just now. We are difficult thing to train men out there, I could have taken three fine or six very nice, promising young men.

Rev. and dear Sir,

I beg to enclose the list of Teachers who have received their Salaries, or part of their Salaries, from the Society during the past Quarter. I have not been able to make it out sooner, for all Office work has been much neglected during the disturbances and the extra work they have brought on us.

The number of Refugees on the Station is now reduced to about 250, and there is some talk of settling many of these in locations at short distances from Umtata, that they may save a few of the gardens which have been left un-destroyed. Mr Cameron & I rode out to the Cicira, - 5 or 6 miles off - to meet the Refugees stationed there. A farmer has placed a small building at our disposal for a few months, and we hope to have a school & regular service as long as they remain there, - and, of course, afterwards if the Teacher & his sala. can be had. The people did not appear, & we are going out again. -

We have had much sickness among whites & blacks, and several deaths have taken place. The little Military Hospital is over-flowing. - We have started a War Relief Fund for the many families rendered destitute by the War.

I am, dear Sir,

Your obedient Servant,

J. Lakes.

§ 11. *Accounts, Bills, and Drafts.*

55. A separate account is to be kept of sums received from the Society, and they are not to be paid in a general account with other funds of the Diocese.

56. The amount required for the payment of the salaries of the Missionaries is to be drawn at the end of each quarter by the Treasurer or Secretary, under the direction of the Committee.

58. Bills[1] are to be drawn payable thirty days after sight, and (*a*) where the grant is not dispensed through a Local Committee, they must be drawn by the recipient himself, and must state his station and the period of service for which he is remunerated. (*b*) Where the grant is dispensed through a Local Committee, the amount of several salaries may be contained in one bill, and the above particulars respecting each salary must be stated in the Letter of Advice[2] preceding or accompanying the bill.

60. A balance-sheet must be sent at the end of each year, showing the amount of bills drawn on the Society, and the actual expenditure on account of the Society's grant, and the balance (if any) remaining in hand; and receipts from the Missionaries and others must be sent as vouchers for the expenditure.

MEMORANDUM.

I. The Treasurers of the Society for the Propagation of the Gospel in Foreign Parts desire to call the special attention of all persons authorised to draw Bills upon them, on account of Grants made by the Society, to the imperative necessity which exists for all Bills to be preceded or accompanied by the Letter of Advice, as required by Regulation 58, in the form prepared and supplied by the Society. A Letter of Advice following a Bill is of no use for the most important of the purposes for which it is required.

II. In the case of Bills from India or other places which have communication with England by several routes, it is essential that the Advice should always be posted so as to go by the quickest route, and thus under any circumstances reach the Treasurers by the same mail which brings the Bills from the Merchants; as otherwise the Bills run the risk of not being promptly accepted for want of it. When the drawer of a Bill has once parted with it, he ought to act as if it was certain that it will reach London by the quickest possible route.

III. In any case of Forgery or other tampering with Bills, the Letter of Advice forms the only safeguard to the Treasurers against accepting Bills not properly drawn or authorised; and the credit of the Society and of its correspondents abroad is damaged if suspicion attaches to any Bills from neglect of those precautions, which the drawers only can supply through the medium of a Letter of Advice, properly filled up and despatched by the quickest route to the Treasurers, in the Society's Office in London, at the same time as the Bills are drawn.

Rev. and dear Sir,

I enclose a few of the Annual Returns from Missionaries in this Diocese. I hope to send that from Umtata shortly. I fear they are too late for insertion in the Annual Report.

I will, as soon as possible, send you a full account of all that has taken place, - but hitherto I have not had time or much inclination for writing, the town being so full, the Station sheltering many natives, &

all office work months
behind hand.

£23. 8. 4

I beg to enclose a Bill of Exchange, drawn by the Bishop of St. John's in your favour, for £23. 8. 4, being Offertories collected for the Society in 1880 in this Diocese:

Cathedral, Umtata	8. 10. 10
St. Mark's	10. 0. 0
Clydesdale	2. 0. 0
Kokstad	1. 7. 6
St. Alban's	1. 0. 0
All Saints'	10. 0
	£23. 8. 4

Those for the present year have not yet been paid in. I am glad to say that Umtata has this time exceeded the St. Mark's usual £10.

The Bishop is very far from strong, and is quickly prostrated if he tries to get through what he would call an ordinary day's work. We are very anxious about him at times.

Dr. and Mrs. Johnston arrived this afternoon, after being delayed a week on the road by severe storms, — most unusual at this time of the year.

The Annual Meeting of the Finance Board is to be held on the 9th. prox.

The revised list of Native Teachers is not yet perfect. I have sent the full amount of the quarter's grant to each Missionary, with the request that he will distribute it to the Teachers actually at work, and return the Balance, along with his Quarterly Report.

It has been quite impossible to get everything into order, as we hoped, before the Bishop's arrival, which we regret all the more, because Lordship's health is far from restored, and he is quickly prostrated by anything approaching worry or excitement.
